Approved by the Board of Trustees, January 2013

**Purpose:** To create a safe and respectful environment for all persons utilizing our building, including youth and those with alcohol issues.

Alcohol, for drinking purposes, is permitted in the building for up to 48 hours in preparation/before an event.

During this period, to prevent undue attention, alcohol must be covered up, or stored in a closet.

Please do not leave alcohol in the refrigerator overnight, before OR after an event.

Any alcohol remaining after an event must be promptly removed or will be disposed of.
