UUFRC Mission Statement

We are a welcoming and inclusive community of individuals of all ages who seek spiritual meaning, empower personal growth, build connections with our neighbors, act for justice, and inspire others to join us.

Our Principles in Brief

This congregation is part of the larger Unitarian Universalist Association. Together, we covenant to affirm and promote Seven Principles:

1. The inherent worth and dignity of every person;
2. Justice, equity, and compassion in human relations;
3. Acceptance of one another and encouragement to spiritual growth;
4. A free and responsible search for truth and meaning;
5. The right of conscience and the use of the democratic process;
6. The goal of world community with peace, liberty, and justice for all;
7. Respect for the interdependent web of all existence of which we are a part.
