

UNITARIAN UNIVERSALIST Fellowship of Redwood City

Opportunity: Light the Chalice

What: Light the chalice for one service and lead the congregation in saying the chalice lighting words.

Why: This can be a great way to start getting involved in the workings of UUFRC while becoming more visible in the congregation.

When: At Sunday service. Only a one-time commitment to start, if interested, can be included in a list for the worship associates to reach out to you for help in a future service.

How: **For Online Services:** Have a chalice near you at home, light it at the appropriate time in the service and read the chalice lighting words. **For In-person:** Arrive at church by 10:15. Meet worship associate and practice lighting the chalice. At the right time in the service (listed in order of service), go to pulpit and lead the congregation in saying the chalice lighting words. The worship associate or you will light the chalice with a candle already lit and available.
